

Directions: Directions to FERC are as follows: 888 1st St. NE, Washington, DC 20426, 3 blocks north of Union Station (a short walk; go out the west side of Union Station and then walk north). Union Station is where AMTRAK trains all arrive (also Virginia and Maryland mass transit trains, and the Red Line of the Washington Metro). Go to the reception desk at the East side of the FERC building; either your name will be listed (if you've RSVP'd) or you can have the receptionist call Udi Helman (or call me on my cell 443 928-3153). You will need a photo i.d. You can get a map from <http://maps.yahoo.com/>.
